

# 16Plus Pendant with hanger

Art no: 40130

Designed by Snorre Stephensen in 1979

EAN no: 5714676000121

A design that once again reveals the twofold beauty of the porcelain, shielding the eye and yet letting the light emerge through the crisp bone-china. Partnering with the curved wooden bracket the lamp's "no fuss" form allows the material to appeal to our senses and attracts us like moths to the warm glow that emerges from the porcelain, with a whiff of the feel of a hot cup of tea.

## General information
